## Learn how to **Unblock** your username in **Digital Banking**

## Recover your access from your mobile

If you enter your password incorrectly more than three times, Digital Banking will block your user for security purposes and will send you an email to notify you. If you are a previously registered user, you may unblock yourself with these easy steps: When your user is blocked, a message will appear saying: Your username is blocked. Please click on the link "User blocked?" and complete the required fields to unblock yourself.

Enter your username, answer the security question, and enter your email address to receive a temporary password. Tap Accept.

Note: The temporary password may take a few minutes to be sent to your email.
