Review and save the following information of your account. This document together with the Rates and Fees Table is an agreement between you, the cardholder, and FirstBank. If you have questions, please call us using the number on the back of your card. You also authorize Us to obtain and use your credit bureau reports and any other information about You for the purpose of: (1) providing extensions of credit for your account; (2) the administration, review or collection of your account; and (3) for marketing purposes, including but not limited to pre-approvals offers, cross-selling and in offering of other financial or non-financial products or services.

ACCOUNT: As consideration for the credit granted by FirstBank (the "Bank") under this revolving account, you (the main cardholder under this Agreement) bind yourself to pay to the Bank the total purchases and cash advances (including balance transfers from other institutions and convenience checks) made on this account, as well as the FINANCE CHARGES and FEES agreed upon pursuant to the terms and conditions of this Agreement. You may use the credit card (the "Card") to purchase merchandise and services in those establishments where the Card is accepted, and obtain cash advances from the Bank or any other bank that accepts the Card, subject to the limits established from time to time by the Bank. The credit card may not be used in any country that is subject to economic sanctions imposed by the U.S. government, and any attempted use of the credit card in such countries will be blocked. The credit card may not be used in connection with online gambling or to fund any account that is set up to facilitate online gambling.

TRANSACTIONS: You may obtain credit in the form of purchases, balance transfers and cash advance. For purposes of this Agreement, purchases means the use of your account number and/or the credit card to acquire or lease services and goods, and perform a transaction that is not a cash advance ("Purchase(s)"). A balance transfer means the transfer of funds to another creditor initiated by the Bank at your request ("Balance Transfer"). A cash advance means the use of your credit line for the following: access a check you draw as a signer, an ATM cash advance, request a financial or non-financial institution to obtain cash, money orders, travelers checks, or wire transfers, perform cash-like transactions (quasi cash) such as the purchase of foreign currency from non-financial institutions as well as similar cash transactions such as purchasing lottery tickets, casino gaming chips, race track wages, or similar betting transactions, and making payments using a third party service ("Cash Advance").

AUTHORIZED USERS: You will be liable for all transactions made by the persons that you allow the use of convenience checks, account number, or other credit device with the authorization to obtain credit on your account, including transactions for which you may not have intended to be liable, even if the amount of those transactions causes the credit limit to be exceeded. Authorized users may be granted access to information regarding this account if you request it in accordance to Bank requirements. A notice to any authorized user will be considered notice to all users.

CREDIT LIMIT: You agree that the Bank, for your convenience, will establish a credit limit and that the purchases and cash advances that you charge to this account shall, at no time, exceed your credit limit. Upon receipt of your Card, you will be informed of your credit limit which will appear on each monthly account statement (the "Account Statement") that the Bank will send to you. You agree that the Bank may, from time to time, change your credit limit, taking into consideration your previous credit experience or payment history. Should you exceed your authorized credit limit, the Bank will have the right to cancel the Card, require its return, or cancel the Card and close the account. Any amount due, in excess of your authorized limit, shall be payable immediately. Your minimum payment shall include any excess over your authorized credit limit.

ANNUAL PERCENTAGE RATE APPLICABLE TO PUERTO RICO AND US VIRGIN ISLANDS: The FINANCE CHARGES will be computed only on the principal balance. You will pay a monthly FINANCE CHARGE on the balance of your account for the billing period. The FINANCE CHARGE will be variable and can change from time to time for each billing period. The FINANCE CHARGE for purchases, balance transfers from other institutions, cash advances and convenience checks will be determined by adding the value of the highest United States Prime Rate published, on the last business date of the prior month, in the "Money Rates" section of the Wall Street Journal ("Prime Rate") to a margin. This is equivalent to the ANNUAL PERCENTAGE RATE ("APR"). To determine the daily periodic rate (the "Periodic Rate") the APR must be divided by 365. The FINANCE CHARGE and the APR applicable to your account will depend on your creditworthiness and the current PRIME RATE at the time of approval of

your application. For each billing period, the FINANCE CHARGE and the APR will be based on the Prime Rate as published on the last business date of the prior month. An increase of the Prime Rate could represent an increase in the APR and in the minimum monthly payment. Any change in your FINANCE CHARGE will apply to the existing balances and to the new transactions during the billing statement. The FINANCE CHARGE is determined by multiplying the daily Periodic Rate to the average daily balance (the "Average Daily Balance") by the number of days in the billing cycle. The Average Daily Balance is obtained by taking into account the initial balance of each day of the billing period, subtracting payments and credits, and adding the purchases, except purchases made in billing periods in which the period's initial balance is \$0 or said initial balance is paid in full on or before your payment due date. The daily balances within the billing period are added and said total is divided by the number of days included within the billing period. The result is the Average Daily Balance. No FINANCE CHARGE on purchases will be imposed for billing periods in which there is no previous balance and if the totality of the account's balance, including purchases made in such period, are paid or credited in full on or before the applicable payment due date, or if the only balance owed corresponds to deferred payments or interest offers. There will be no grace period for cash advances, convenience checks, and balance transfers unless the Bank states otherwise as part of a promotion. The FINANCE CHARGES imposed on cash advances, convenience checks, and balance transfers will be assessed from the date of the transaction. If the Wall Street Journal stops publishing the prime rate, we will select a similar rate. **MINIMUM MONTHLY PAYMENT:** We will calculate the minimum payment based on 2% of the balance or \$15, whichever is greater. In addition, your minimum monthly payment may include finance charges, periodic interest charges, over limit amounts and late fees billed in the statement for which your minimum payment is calculated.

PAYMENT APPLICATION: If you pay the required minimum payment of the monthly Account Statement, said payment shall be applied first to the balances with the lowest APRs. If you pay an amount in excess of the minimum required payment, the excess will then be applied first to the balances with the highest APRs. Payments are credited the same day if they are: (i) received by 5:00 p.m., Monday through Friday (excluding holidays) at the address indicated on the Account Statement, (ii) are paid with a check drawn against the Bank, and (iii) accompanied with the payment stub. If the payment is made through a branch of the Bank, it will be processed the next business day retroactively to the date it was received. Electronic payments received by the Bank will also be credited the next business date retroactively to the date it was received.

MONTHLY ACCOUNT STATEMENT: The Bank shall mail to you a monthly Account Statement at the end of each billing period. In each Account Statement the following entries will be shown, as applicable: previous balance, payments, credits, debits, purchases, balance transfers from other institutions, convenience checks and cash advances made within the same period, the FINANCE CHARGE, the ANNUAL PERCENTAGE RATE, the total new balance, the minimum payment and the due date for said payment. You must notify the Bank in writing of any error in the Account Statement within sixty (60) days following the date on which the statement was mailed.

FEES: The currency conversion fees for international transactions will be billed in US Dollars by either Visa International and/or MasterCard International depending on your card. Please refer to the "Fees" section on the table included.

CREDIT LINE AVAILABILITY HOLD: From time to time the Bank may apply a Credit Line Availability Hold to your account if your payment is returned for any reason or multiple payments are received in same statement period. The Hold will delay for up to a 4 day period the availability on the credit line for an amount equal to the payment made.

INSTALLMENT PLAN: The Installment Plan enables you to use your credit card for transactions allowing you to determine the repayment period for that balance. The amount requested for the Installment Plan will be subject to your credit line availability. The APR, Interest Charges and Monthly Minimum Payment, of your Installment Plan may vary for each billing cycle. The APR for your Installment Plan is equivalent to your Standard APR for purchases. The minimum monthly payment of your Installment Plan will be included in the minimum monthly payment due of your account during the term of the Installment Plan. You will be responsible to pay the total minimum monthly payment amount as established in your account statement. The Interest Charges will be calculated based on the Average Daily Balance. To pay in full your Installment Plan please contact Customer Service in order to obtain the total balance owed. Installment Plan is not available for accounts under Penalty Rate and no grace period applies. If you do not comply with the minimum monthly payments of your installment loan, the Late Fee will apply as established in the Credit Card Agreement. The unpaid amount of the Installment Plan in the minimum monthly payment requested will be

transferred to the Balance Transfers section. If Penalty Pricing applies to your account, the balance pertaining to Installment Plan will remain subject to the Standard APR for Purchases and the corresponding term of Installment Plan will not change. To request an Installment Plan and receive information regarding repayment terms you may contact Customer Service at 787-701-2265 or toll free 1-855-701-2265.

SKIP A PAYMENT: From time to time, if a pre-established criteria is met, you may be eligible, to skip making the Minimum Payment for certain billing cycles. If you receive this offer, your account statement will show that the required Minimum Payment for that period is of zero dollars (\$0), and you may not have to make the Minimum Payment for that billing cycle. Note that if you decide to skip a payment the account will continue to accrue Interest Charges on the unpaid balance during that period. Nonetheless, you can always make a payment for any amount. At the end of the skip a payment period, the terms of the Agreement regarding the required Minimum Payment will automatically resume.

DEFAULT: You will be in default under this Agreement if you do not pay an installment on time, file for bankruptcy, or exceed your credit limit without the Bank's authorization. In the event of default, the Bank may demand immediate payment of the full balance due. If the Bank has to refer collection of the balance to an attorney, you may have to pay legal and attorney fees, plus court costs and any other fees allowed by law.

ANNUAL FEE: Please refer to the "Annual Fee" section on the Rates and Fees table included in this agreement. The ANNUAL FEES will be reflected on your Account Statement on each anniversary of the issuance of the first Card whether or not you used your account.

DENIAL OF CREDIT: The Bank is not responsible if a purchase or cash advance on your account is not approved either by the Bank or by a third party, even if you have sufficient credit available. The Bank may limit the number of purchases or cash advances which may be approved in any day. If the Bank detects unusual or suspicious activity on your account, the Bank may temporarily suspend your credit privileges until it can verify that the transaction is legitimate. The Bank may approve purchases or cash advances which cause the balance to exceed your credit limit without waiving any of its rights under this Agreement.

LOST OR STOLEN CARDS: If the Card is lost or stolen, or if you suspect that someone could be using it without your authorization you must immediately notify the Bank and complete and submit such forms or reports as the Bank may require. In the event of loss, theft, or possible unauthorized use of the Card, you may be responsible for the unauthorized use of the Card up to an amount not exceeding \$50.00, unless you have notified the Bank of the loss, theft, or possible unauthorized use of the Card, prior to any purchase or cash advance, by calling TOLL FREE (855) 701-2265 or (787) 751-2265. **Text teletype device (TTY) for the hearing impaired phone number: 787-282-4267.**

Keep this Document for Future Reference

This notice tells you about your rights and our responsibilities under the Fair Credit Billing Act.

What To Do If You Think You Find A Mistake On Your Statement

If you think there is an error on your statement, write to us:

FirstBank
PO Box 84025
Columbus, GA 31908-4031

In your letter, give us the following information:

- Account information: Your name and account number.
- Dollar amount: The dollar amount of the suspected error.
- Description of Problem: If you think there is an error on your bill, describe what you believe is wrong and why you believe it is a mistake.

You may contact us:

- Within 60 days after the error appeared on your statement.
- At least 3 business days before an automated payment is scheduled, if you want to stop payment on the amount you think is wrong.

You must notify us of any potential errors in writing. You may call us, but if you do we are not required to investigate any potential errors and you may have to pay the amount in question.

What Will Happen After We Receive Your Letter

When we receive your letter, we must do two things:

1. Within 30 days of receiving your letter, we must tell you that we received your letter. We will also tell you if we have already corrected the error.
2. Within 90 days of receiving your letter, we must either correct the error or explain to you why we believe the bill is correct.

While we investigate whether or not there has been an error:

- We cannot try to collect the amount in question, or report you as delinquent on that amount.
- The charge in question may remain on your statement, and we may continue to charge you interest on that amount. But, if we determine that we made a mistake, you will not pay the amount in question or any interest or other fees related to that amount.
- While you do not have to pay the amount in question, you are responsible for the remainder of your balance.
- We can apply any unpaid amount against your credit limit.

After we finish our investigation, one of two things will happen:

- *If we made a mistake:* You will not have to pay the amount in question or any interest or other fees related to that amount.
- *If we do not believe there is a mistake:* You will have to pay the amount in question, along with applicable interest and fees. We will send you a statement of the amount you owe and the date payment is due. We may then report you as delinquent if you do not pay the amount we think you owe.

If you receive our explanation but still believe your bill is wrong, you must write to us within *10 days* telling us that you still refuse to pay. If you do so, we cannot report you as delinquent without also reporting that you are questioning the bill. We must tell you the name of anyone to whom we reported you as delinquent, and we must let those organizations know the matter has been settled between us.

If we do not follow all the rules above, you do not have to pay the first \$50 of the amount you question even if your bill is correct.

Your Rights If You Are Dissatisfied With Your Credit Card Purchases

If you are dissatisfied with the goods or services that you have purchased with your credit card, and you have tried in good faith to correct the problem with the merchant, you may have the right not to pay the remaining amount due on the purchase.

To use this right, all of the following must be true:

1. The purchase must have been made in your home state or within 100 miles of your current mailing address, and the purchase price must have been more than \$50. (Note: Neither of these is necessary if your purchase was based on an advertisement we mailed to you, or if we own the company that sold you the goods or services.)
2. You must have used your credit card for the purchase. Purchases made with cash advances from the ATM or with a check that accesses your credit card account do not qualify.
3. You must not yet have fully paid for the purchase.

If all of the criteria above are met and you are still dissatisfied with the purchase, contact us in writing at:

FirstBank

PO Box 84025
Columbus, GA 31908-4031

While we investigate, the same rules apply to the disputed amount as discussed above. After we finish our investigation, we will tell you our decision. At that point, if we think you owe an amount and you do not pay we may report you as delinquent.
