Learn How to Make Payments Online

Visit 1firstbank.com and select Sign In.

2 Under the Personal section, at the end of the drop-down list, select Manage my mortgage.

3. You can also select Mortgage on the website's main navigation.

4 Then choose Manage my mortgage from the secondary navigation.

5. If you already have an account, enter your Username and Password. Then select Log In. If you do not have an account, select Register Your Account.

On the initial screen, select Make a Payment.

 On the Make a Payment screen you can make your monthly payment or make payments to the principal and / or the reserve account (Escrow).

For example: If you want to make the monthly payment, select the Monthly Payment option. You can also enroll in AutoPay.

Then you must select the payment method. If you do not have any payment method configured, you must add the information in the Add Payment Method.
